PROFESSIONAL EXPERIENCE

UI Developer | *SBN Technologics Pvt. Ltd.* | *Ernakulam, Kerala*

Sep 2024 – Present

- Architected and delivered the Store Procurement System (SPS) module in the Shipmate Suite using Next.js, supporting maritime procurement workflows and shore-to-vessel inventory communication.
- Developed and optimized enterprise modules within the Shipmate Suite, including a Blazor-based Planned Maintenance System (PMS), with a focus on application loading performance and user experience.

Full-Stack Developer | *Snive Technologies Pvt. Ltd. (Krut AI)* | *Bengaluru, Karnataka*

Feb 2024 – Aug 2024

- Built approximately 85% of the Krut AI SaaS platform frontend from scratch; the product ranked #4 Product of the Day on Product Hunt in July 2024.
- Promoted to lead the frontend development team within three months of joining.
- Developed and maintained the Krut AI and Snive Technologies websites using React, TypeScript and Tailwind CSS.
- Contributed across multiple responsibilities in a fast-paced startup environment.

MERN Stack Developer Intern | *Brototype, KINFRA* | *Kozhikode, Kerala*

Apr 2023 – Jan 2024

- Built responsive full-stack applications with React, Node.js, Express.js and MongoDB, including an e-commerce platform and an e-learning application.
- Designed MongoDB schemas and worked on indexing and query optimization; implemented responsive interfaces and backend APIs.
- Led a five-member team through an onboarding/fumigation process, achieving an 80% first-attempt success rate; mentored junior developers.

UI/UX Designer | *Freelance / Behance*
Oct 2021 – Dec 2022

- Collaborated on user-centered design projects and created high-fidelity Figma prototypes.

Graphic Designer | *Freelance / Remote*
Apr 2018 – Sep 2021

- Created graphic and social media content for clients including Impex Medicare, JerryCo Associates, Malabar EECP Centre, Connect West Academy and Hozzby Healthcare.
- Created educational children's videos for the Lubie Lu YouTube channel.
